She's a singer who lives for the spotlight?and she can't resist her adoring fans. Outrageous and out of control, Lyric Jones is a spoiled pop star who lives hard and fast, always outrunning her past and the nightmares that haunt her. She's used to getting what she wants?groupies included?because she can't stand to be alone. So in bed it's more the merrier, even if it means closing off the deepest part of herself. He's a hands-on bodyguard?and a one-woman man. There is nothing Connor Malone wants to do less than babysit Lyric Jones. But part of him relishes taming the wild songstress and showing her what it's like to be possessed?body and soul?by one man. And though Lyric's crazy antics nearly drive Connor to the edge, his quiet intensity penetrates her defenses, leaving them both vulnerable to the secrets that could topple Lyric from the stage. .
